Our range of short courses for adults are designed to boost your CPD and upskill anyone in a teaching or teaching assistant role, as well as those outside of teaching and looking to better support others.

Delivering on behalf of

**Northumberland**  
County Council

## ABOUT CHILDCARE & EDUCATION

**Do you want to support the wellbeing and development of future generations, whilst also improving your own prospects?** We have a range of short courses available to study part-time to advance your skills and qualifications in the childcare and education sector. These courses run at our Berwick Campus, or you can study online - contact the team for more details.

- NCFE CACHE Level 2 Certificate in Understanding Children and Young People's Mental Health
- Introduction to British Sign Language
- Level 1 Award in British Sign Language
- Introduction to Makaton
- Autism Awareness

## WHY CHOOSE US

Delivering on behalf of Northumberland County Council, our team of lecturers bring a wealth of experience of the childcare and education sector.

Studying with us can make you a more attractive candidate for jobs in schools, nurseries and other educational settings.

With many classes available either in-person or online, we can be flexible to suit you.

## PROGRESSION OPPORTUNITIES

If this is a new career path for you, learning about childcare and education can help you develop a deep understanding of child development, teaching methodologies and educational theories.

If you're already working in the childcare and education field, studying one of our short courses will help you to upgrade your qualifications and advance your career. It may open up opportunities for higher-paying positions and increased responsibility.

We offer a wide range of childcare and teaching qualifications, for more information see [northumberlandskills.co.uk/childcare-and-education](http://northumberlandskills.co.uk/childcare-and-education)
