### Who is this course for?

SEN Provision (Post 16) - Personal Progression Pathways are individual learning programmes created to support the learners' needs and aspirations as they prepare for adult life. Their individual pathways are made up of selected modules that will develop skills. Each learner is invited to attend the campus for a short transition taster, to ascertain the most appropriate modules that will enable them to develop and progress.

The Entry Level 1 Qualifications in Personal Progress are designed to be wide ranging qualifications that allow learners working at Entry 1 or below to develop their skills in a number of different areas and is designed to support learners to participate as citizens within the community.

These qualifications cover areas such as communication, reading and writing, mathematics, developing skills for independent living, developing skills for the workplace, or engaging with the world around you.

Learners will be able to develop knowledge and/or skills to operate independently and effectively in life, learning and work. If you are a learner who is needing to develop Independent Living skills, confidence and social skills

### What will I gain from this course?

This course will prepare learners progress into further learning, work towards independent living, work with others and progress into supported employment.
