

English and maths courses from September 2023

With friendly lecturers and small class sizes, Northumberland Skills offers the perfect learning environment to boost your English and maths skills. Our team will help to guide you and a pre-course assessment will ensure you're starting at the right level.

Entry 3 is a stepping stone qualification for beginners which uses practical, real-life examples to bring learning English and maths to life. Level 1 learning will boost your skills and confidence for life and work, whilst Level 2 will continue to improve your reading and writing, or ability to confidently use numbers.
